College Adviser Interest Form: <https://goo.gl/wiUHxa>

The Southern California College Advising Corps mission is to improve college outcomes for low-income, first-generation, and underrepresented students. The programs goal is to increase the number of California students who attend and complete college by supporting high school students with their college searches, applications, financial aid, and transition to post-secondary education.

Join the Team

Advising is a two-year full time service position ideal for any early career professional. Employee benefits include healthcare, retirement, and tuition remission if you are accepted into a USC degree program.

Employees awarded tuition remission on a maximum of 4 units per term at the graduate level

" I will never forget the day a student walked into my office and came to give me a big hug, letting me know he had been one of the few chosen for a selective scholarship to attend Northwestern University on a full-ride. I teared up knowing this was life changing oppourtuntity for him and felt thankful I had helped him along the way "

- Tori Saruwatari

SCCAC Adviser, Lakewood High School
